EDUCATION

ICCT COLLEGES | Bachelor of Science in Information Technology

Cainta, Rizal | 07. 2021 – 12. 2024

PRE-PROFESSIONAL EXPERIENCE

Third Generation Holdings | App Developer / Tech Support

Kamuning, QC | 0.7 2024 – 11. 2024

- Developed a web application using Google Appsheet to automate technical support documentation, improving efficiency and received positive feedback to end users.
- Gained experience in IT support, including software troubleshooting, hardware maintenance, and basic network support.

SKILLS

Technical Skills

- Java Programming** – Familiarity with OOP concepts and exception handling. Gained hands-on experience developing an Android app to control an Arduino prototype during our capstone project. Basic familiarity with the Spring Framework through an online course and self- practice.
- Android App Development** – Experienced in building applications using Android Studio (Java).
- Web Development** – Basic understanding of web technologies. Gained hands-on experience with HTML, CSS, and JavaScript by developing web applications and a portfolio website during college.
- Version Control System** – Familiarity with Git for tracking changes and collaborating on projects.
- Database** – Basic experience with MySQL for managing and querying relational databases.
- Microsoft Office Suite** – Proficient in Word and Excel for document creation, data analysis, and reporting.

Soft Skills

- Eager to learn and adapt to new technologies.
- Strong problem-solving skills and ability to develop efficient solutions independently.
- Effective multitasking and time management.
- Organized and efficient.
- Able to work both independently and collaboratively in a team.
- Quick to adapt to new challenges and environments.
- Ability to work under pressure and meet deadlines.
- Results-oriented and focused on achieving goals.

INTERESTS

- Technology** – Passionate about expanding knowledge in Java programming and exploring emerging technologies, particularly in Cloud Computing and AI / ML.
- Reading** – Following tech blogs, with a particular focus on programming trends and developments.
- Travel** – Keen on exploring new places and experiencing different cultures.

PERSONAL DATA

- Age:** 22
- Date of Birth:** MARCH 25, 2002
- Place of Birth:** Cuyapo, Nueva Ecija
- Gender:** Male
- Civil Status:** Single
- Nationality:** Filipino
